. Welcome to this tastefully renovated townhouse in charming Santiago de la Ribera - a perfect home for both permanent living and holidays on the Mediterranean coast. The property offers three spacious bedrooms and two elegant bathrooms, all of which have been refurbished with modern materials and a thoughtful design that creates a bright and pleasant atmosphere. The floor plan is functional and inviting, with generous social spaces suitable for both family and guests. The outdoor areas are something truly special. On the ground floor, there is a delightful terrace - ideal for morning coffee or long dinners in the evening sun. A balcony provides additional space to enjoy
